UM OFFERS STUDY TOUR OF AUSTRALIA, NEW ZEALAND

MISSOULA --

Elementary and secondary school teachers can gain firsthand knowledge of Australia and New Zealand's educational systems during a University of Montana summer study tour.

The six-credit study tour, led by UM professional education Professor Harry E. Ray Jr., is scheduled for July 21 through August 17. Participants will visit various types of schools on both islands of New Zealand as well as in Cairns and Sydney, Australia.

Before the trip, students are required to read selected material about Australia and New Zealand, and two class sessions will be held to discuss the goals of the trip and view slides. A paper is due after the tour group's return.

Participants may earn six undergraduate or graduate credits in Education 494 at a cost of \$240. Travel costs are estimated at \$3,400 per person, including round-trip airfare from Los Angeles, all transportation in New Zealand and Australia, lodging and meals.

Enrollment is limited, so participants should register as soon as possible. For more information or to register, call Ray at 243-5161 or the UM Center for Continuing Education and Summer Programs, 243-4616 or 243-2900.
